

Dear USAFA Grads and Alumni,

My name is Ashley Fregly, and I am a 2008 USAFA graduate living in Anchorage. My family moved to Anchorage in 2020 and since that time, I have bumped into numerous USAFA grads in our community. My family attended the UAA vs. AF Women's Gymnastics Meet this winter, and it got me thinking how great it would have been if we could have organized a larger contingent of support for the rare opportunity to watch USAFA sports live in our state. For those reasons, I officially started a chapter of the USAFA AOG for all of Alaska this month, and I want to reach out to you and let you know about us and our first event.

Recently a few other grads and I have gotten together to plan our first event: a Meet-and-Greet on June 16th at 6PM at The American Legion Post 1. The Post has generously offered to host us, supplying **free** Moose's Tooth Pizza and the first round of drinks on the house! We'd love to see you there! The event is family friendly so bring the whole gang. We have an Evite with all of the details of the event and the ability to RSVP; please RSVP by June 9th so we can have enough pizza for everyone!

While in the initial stages of our chapter standup, we have a core leadership team who aims to guide the chapter towards the focus of our members. Our initial priorities are outreach to fellow graduates in the community, communicating our new chapter status, and networking to support fellow grads throughout Alaska. We are openly soliciting more grads to help, and feedback for the future mission and purpose of our chapter from our Alaska USAFA grads. You can read more about us, and what we're up to on our website.

I received your mailing address on a list from the AOG, and I would love to add you to our email list of contacts for the Chapter. This may be the only communication we send via mail, as we don't have the budget or the personnel to send hundreds of letters on a recurring basis. If you'd like to be kept in the loop for all of the fun things we have planned, and hope to do in the future, please contact me at the email address below.

Thanks for your support, hope to meet you on the 16th, and Go Falcons!
